

UFO PROGRAM

For participation in the program Please list your projects, and email back to Colleen prior to February's meeting.

Remember #1 is due at the February meeting. After that meeting numbers/UFO will be drawn at random until the end of the year.

This is meant to be FUN and get these projects finished and OUT of your sewing rooms (so you have room for more!

UFO - Any project that you have not completed that is made of FABRIC, NEEDLE & THREAD! So fabric bowls, curtains, embroidered items etc.

REPLACEMENT UFO – are those (smaller) projects that may be substituted into the “year/upper list” if a UFO that has been pulled is TOO large to be completed within the month it is pulled for. So mix up your list with smaller UFO'S in the “replacements” list. Just contact me when you need to make a change.

LIST with a brief description (Pattern Name, wall hanging, color, year started, etc.)
