'UGLY FABRIC' FLOWER QUILT CHALLENGE

Bring one (1) yard of 'UGLY FABRIC' packaged in a brown paper bag, gift bag, wrapped, etc. to the January 14, 2017 meeting. Please don't show your fabric to anyone when you get to the meeting. We will play a game to distribute the fabric!

- Take the 'UGLY FABRIC' home ... mull over it, study it, view it, etc. and then design a Flower themed quilt using the 'UGLY FABRIC'.
- It must be a quilt of three layers – top, batting and backing.
- The 'UGLY FABRIC' must be recognizable – used on the front of the quilt. You cannot cut one tiny piece and hide it somewhere! The 'UGLY FABRIC' cannot be used as the backing .
- Add four (4) other complementary/contrasting fabrics for a total of five (5) fabrics in the quilt.
- Embellishments are acceptable. You may piece, applique, embroider, paper piece – it is your project, use any method you wish.
- The minimum size of the quilt is 20" x 20" - No maximum size.

The unveiling of the completed projects will be at the May 13, 2017 meeting.

Just remember, HAVE FUN!!!
