

SUPPLY LIST FOR ANGEL CLASS

Bring the following with you. The rest of the materials will be in the kit.

Fabric for the dress---can use one fabric or two. Will need scraps or ¼ yd which will give you left-overs. You will be cutting 6 wedges approximately 3x6. I usually use 2 fabrics.

Wings---off white or fabric to match the dress. Can use muslin. I like something with a little gold in it as that is what I think angel wings look like. 2 scraps about 6x6.

Sewing needle and thread---neutral thread is fine. Won't show.

Heavy thread---quilting if you have some. If not, I will bring some. This will not show.

Sewing machine

Iron/ironing board. A small one will work fine.

We will also need glue guns. I have one but we will need several. PLEASE let me know if you can bring one.

Cost of the kit is \$5.50. Please bring the correct amount so we don't have to make change.
